

# UNITED RECORD PRESSING, LLC PRODUCTION MENU

## One Time Charges:

### Lacquer Mastering:

This is where your music is transferred (as is) from your tape, DAT or CD to lacquers.

**12" Records - \$330** (for both sides)

**10" Records - \$330** (for both sides)

**7" Records - \$175** (for both sides)

### Additional Mastering Charges:

-Locked Groove - \$45 (per side)

-Digital Editing - \$85

-Sequencing Album - \$65

-Tape Copy - \$85 (12" & 10") / \$65 (7")

Source music is accepted on tape, DAT or CD. If submitting a CD it should be in standard red book form (plays in a normal stereo, no MP3, etc.) and the tracks should be in the correct order to avoid a sequencing charge.

### Standard Two Step Plating: (Making metal plates from your lacquers)

**12" Standard Weight (and 150 gram) Records - \$195\*** (for both sides) - Each additional 1000 records require backup stampers at \$120 per set.

**12" 180 Gram Records - \$300\*** (for both sides) - Each additional 500 records require backups sets at \$160 per set.

**10" Records - \$195\*** (for both sides) - Each additional \*1000 records require backup stampers at \$120 per set.

**7" Records - \$160\*** (for both sides) - Each additional \*1000 records require backup stampers at \$120 per set.

### Deluxe Three Step Plating: (Making metal plates from your lacquers)

**12" Standard Weight Records - \$315\*** (for both sides) - Each additional \*1000 records require backup stampers at \$120 per set.

**12" 180 Gram Records - \$355\*** (for both sides) - Each additional 500 records require backup sets at \$160 per set.

### Test Pressings:

12" Standard Weight - \$70\* (for 5) (\$80 for colored vinyl) - \$2.75 each for additional

12" 150 Gram - \$80 (for 5) - (\$90 for colored vinyl) \$3.50 each for additional

12" 180 Gram - \$95 (for 5) - (\$105 for colored vinyl) \$3.50 each for additional

10" - \$70 (for 5) (\$80 for colored vinyl) - \$3.50 each for additional

7" - \$30 (for 3) (\$60 for tests on colored vinyl) - \$2.75 each for additional

### Shipping Test Pressings (return source music):

## Digital Download Packages:

These enable you to offer your customer free MP3s with their vinyl.

### Standard Package - \$225 (See order form for more pricing info)

Includes ripping 192 bit rate MP3s from your CD, the uploading of your files to a secure server and the printing of your one time use download coupons.

- Marketing Upgrade - \$150 - This allows you to collect vital marketing information from folks who redeem their downloads
- Upgrade to 320 Bit Rate - \$100
- Offsite Access **NEW** - \$55 - Customer can get the files from the site of your choice.
- Provide & Apply download sticker - \$.07 each
- Insert download cards into jackets - \$.06 each

### HDvinylIMP3 - \$500 (See order form for more pricing info)

#### High bit rate files Direct from Vinyl test pressings to MP3

Like our standard package but your music is ripped from your test pressings to create your MP3s.

We aim to offer the highest quality, warmest sounding MP3s we can. Includes upgrade to 320 bit rate, the marketing package and free stickers. We can even leave in the sound of the needle hitting the record!

**Etched Vinyl Records:** - This is the etching of art onto a non playable (containing no music) side of a record. Etched vinyl starts at \$450 per side but the final price depends on the complexity of the artwork.

**PreMade Stickers:** - URP offers a wide variety of premade stickers to tell folks you went with 180 Gram vinyl, colored vinyl, free downloads and more. These are \$.12 each including application to your shrink wrapped 12" jacket.

**Custom Stickers:** - URP can make custom stickers for you and apply them to your record jacket. From small stickers promoting your features to huge 10" x 3" to make a generic jacket your own URP can help. Please visit our site for custom sticker prices.
